

# SANTA CLARA CORVETTES YEAR-END POINT STRUCTURE

## • CORVETTER OF THE YEAR AWARD

"Corvetter of the Year" award will be determined by votes cast by the members at the December business meeting. In case of a tie, duplicate awards will be presented. The Corvetter of the Year should be the member who contributed the most to the betterment of Santa Clara Corvettes.

## • COMPETITION CHAMPIONSHIP SERIES AWARDS

Santa Clara Corvettes will reward any regular club member in good standing with a year-end class award when they compete in 30% or more of any W.S.C.C. competition series (e.g. all WSCC car shows during the year), provided there were at minimum, three events scheduled in the series, with the exception of drag racing which may have fewer than 3 events. Drag racing events may also include "non-W.S.C.C." events as scheduled by the Competition Director provided it is published in the club newsletter and club website events calendar at least 30 days prior to the event. W.S.C.C. Convention events also count. To receive year end points in an event, you must be a regular club member or have completed an application and paid your membership dues for regular club membership prior to the time of the event.

Any regular club member entering more than one (1) car in any event will receive only the points for the car accumulating the highest point total in that event.

Overall competition point standings will be maintained by the Competition Directors and will be made available at each general business meeting.

To qualify for Competition Championship Series Award points the member must be competing in a Corvette. A Corvette bodied car with a "Chevrolet based" motor would be considered a Corvette for the purposes of this point structure.

## • MOST COMPETITIVE AWARDS

A single male and single female award shall be given to the individuals accumulating the highest sum total of the weighted average of each of all qualifying competition series. In case of a tie, multiple awards will be given. Series of competition may include, but are not limited to: **(1)** Car Show **(2)** Park and Show **(3)** Concours, **(4)** Rallye, **(5)** Autocross and **(6)** Drag Race. Each series previously specified shall consist of the sum, of competition points earned for that series, divided by the total number of maximum points for that series multiplied by 100. For Car Show, Park and Show, and Concours events, the higher of the three averages will be awarded (i.e. points are accumulated for each series, however, only the higher of the three averages is counted toward the sum total). In order to be eligible for the Most Competitive Award, the member must have competed in at least two different event series (e.g. Car Show and Autocross).

## • PARTICIPATION AWARDS

"Participation" Awards shall be given to the 40 individuals accumulating the highest number of participation points as defined below. In case of a tie, multiple awards will be given.

In addition, two special awards will be given to the male and female members who have accumulated the highest number of participation points for the year.

To receive year-end participation points in a given activity, you must be a regular club member or have completed an application and paid your membership dues for regular club membership prior to the time of the activity. "Associate" members, spouses or friends (who are not regular members of the club) will not receive year-end participation points.

Points will be awarded for those events and activities published, (i.e. sanctioned) in the newsletter. An associated club activity, such as a committee meeting, occurring with the published events, whether or not published will have points award (determination to be made by event chairperson).
